

**If you're interested in a career in transportation and logistics, this training could be a good option.**

#### **1. Organization providing the training:**

Hagerstown Community College

#### **2. Physical location where training occurs:**

Training locations vary but all are in Washington County.

#### **3. Description of the training offered:**

This training is meant to prepare individuals for a career in the transportation and logistics industry. Training tracks include Commercial Truck Driver (CDL A and B), Diesel Technician, and Forklift Operator. CDL A training is a 300-hour course, whereas CDL B is 65 hours. Diesel Technician training is 200 hours in length and prepares individuals to test for various Automotive Service Excellence certifications. Forklift training lasts for 16 hours.

#### **4. Trainees have the opportunity to earn the following industry-recognized certifications:**

- CDL A
- CDL B

#### **5. Am I eligible?**

To be eligible for this training program, applicants must:

- Be 18 years or older
- Must meet program specific requirements including background check and drug screen
- Be able to pass a DOT physical, Learner's Permit, and 10-panel non-DOT drug screen.

#### **6. What is the application process?**

To apply for this training program, please contact Jack Drooger at [jadrooger@hagerstowncc.edu](mailto:jadrooger@hagerstowncc.edu).

#### **7. How much can I expect to earn if I complete this program and obtain employment in the transportation and logistics field?**

Trainees who complete this program and obtain employment can expect to earn anywhere from \$30,000 to \$60,000 per year depending upon the training track.

**8: How much do I have to pay for this program?**

All applicants must pay a \$21 screening fee. Other costs depend upon the training track.

**9. Where can I find more information?**
